ABOUT THE SCHOOL

G.K. Silver Stone Senior Secondary School, was established by Silver Stone Education Society Chandausi. A School is like an oyster bed, creating an environment which nurtures the pearl in every oyster. Each student is gifted with a special pearl and we believe that it is the endeavor of the institution to make each pearl polished & glowing.

The aim of this institution is to provide supreme education to children, inculcating in them a feeling of self - confidence and to bring out their true and hidden talent which makes them the honest & respectable citizens of tomorrow. The medium of education is English. Computer education is also a part of the curriculum from 1st standard onwards. The institution owns a palatial & imposing building consisting of big, airy and well furnished class-rooms equipped with all modern teaching aids, viz maps, charts, green boards & during the routine school hours, each child is provided with a separate chair & table and a space of minimum 1.5 sq. meter for each student. Broad corridors provide sufficient space for obstruction free movement. All facilities required for a good educational institution, viz enriched library, physics, chemistry, computer, science, math lab etc are available. The school building is earth quake resistant & well equipped with all fire safety devices in every corner. And it is also reviewed by the school authorities through audio, visual system (CCTV Cameras). Through this, we can proudly & strongly say that we provide excellent infrastructure and a positive environment for studies in our school.

FROM THE DESK OF FOUNDER

Dr. Giriraj Kishor Gupta

Founder of School

From the beginning we have active co-operation of all parents who have believed in us and got their children enrolled in our institution. We are extremely thankful to them for keeping faith in us. We assure them that we shall leave no stone unturned to impart the best education to their children. We expect from them that we shall get more co-operation from them in future. We wish all students a great future & success afterwards as well.

FROM THE DESK OF THE PRINCIPAL

A good school is a social institution that reflects the standards of the society.

It exhorts and utilizes the hidden talents of its pupils for their upliftment and progress. It always keeps its doors open for all irrespective of caste and creed, colour and community, high and low, rich and poor. A School is a pious and sacred social institution. It ignites the young minds and moulds them as good citizens as well as good leaders of a nation.

With this vision G K Silver Stone Senior Secondary School was established in the year 2014. It is because of the sustained efforts and dedication of its Management that the school has reached its present stage. Needless to mention that the school has made remarkable and speedy progress in scholastic and non-scholastic as well as infrastructure. The school provides ample opportunities to its students for their all round development. We aim at the holistic development of our students so as to enable them to adjust and adopt to the emerging society with its ever increasing demand of competition, challenges and careers. Our school delivers 100% Result in Academics.

Parents can be instrumental in bringing about excellence in the education of their wards by monitoring their self study and revision at home and encouraging their participation in all co-scholastic areas.

Thus with high hopes for the commencing session I wish all the students a great deal of success.

Thank you.
